

Introduction

RSPCA Pet Insurance, Accident only cover is a product that is suitable for cat and dog owners who wish to protect only against the cost of treatment if their pet is injured in an accident.

This product offers cover for the cost of veterinary treatment for up to 12 months if your pet is injured as a result of an accident but doesn't cover a pet if it develops an illness. In addition farewell cover and third party liability cover (dogs only) is provided.

This is an annual policy and the policy must be renewed for the cover to continue. You can claim for the cost of treatment that is covered by this policy for each injury until the veterinary fee limit is reached or until the 12 months' time limit is reached, whichever is first. If we offer and you accept our renewal invitation, covered treatment payments can continue to be paid until either the maximum financial limit or 12 months' time limit is reached.

You need to be aware that the policy wording is subject to certain exclusions and conditions. It is therefore essential that you read and fully understand what is covered. In particular please refer to the following sections to help you understand the cover provided:

- What is Covered
- What is Not Covered
- Policy Conditions and Policy Limitations.

Your Policy Wording should be read in conjunction with your Insurance Schedule and Proposal Confirmation document as together they form the basis of your insurance contract.

For simplicity, we use keywords or phrases which are shown in **Meaning of Words** section and these are listed in alphabetical order. They have the same meaning whenever they appear and will always be shown in **bold**.
